The failure of Spain to engage in active social reforms in Cuba as demanded by the United States government was the basic cause for the Spanish-American War. American attention was focused on the issue after the mysterious explosion that sank the American battleship Maine on February 15, 1898 in Havana Harbor. As public political pressure from the Democratic Party and certain industrialists ...

The American Civil War (also known by other names) was a civil war fought in the United States from 1861 to 1865, between the North and the South. The most studied and written about episode in U.S. history, the Civil War began primarily as a result of the long-standing controversy over the enslavement of black people. War broke out in April 1861 when secessionist forces attacked Fort Sumter in ...
