Today marks the twentieth anniversary of the first Scottish Parliament elections. In this post, David Torrance looks back at how political parties in Scotland have fought to control the narrative of devolution and examines how that 'story' has evolved over the past two decades. Pollsters and sociologists have long understood the power of political storytelling.

The right to silence is a legal principle which guarantees any individual the right to refuse to answer questions from law enforcement officers or court officials. It is a legal right recognized, explicitly or by convention, in many of the world's legal systems. The right covers a number of issues centered on the right of the accused or the defendant to refuse to comment or provide an answer ...

Right to silence - Wikipedia

The US Constitution was created on September 17, 1787, and ratified behind closed doors on June 21, 1788. Thirty nine of the fifty five delegates attending the Philadelphia Convention signed the document.

The Constitution Con - michaeltsarion

Teach students about the Constitution and its many provisions for voting. Students will participate in an informal discussion of the election process, including the Electoral College, the evolution of voting rights, and how the Constitution has been amended to keep up with the times.
