

## *Human Environment Interaction Reteaching Activity Answers*

### **Human Environment Interaction Reteaching Activity**

Teacher fails to display and/or communicate objectives to students or does so in a perfunctory manner. Teacher provides an overview of objectives that are either not in clear, student accessible language, not aligned to lesson content and activities, meaningfully revisited, may be disconnected from content area standards, or do not individually challenge students at appropriate levels.

Aviation instructors need a good understanding of the general characteristics of learning in order to apply them in a learning situation. If learning is a change in behavior as a result of experience, then instruction must include a careful and systematic creation of those experiences that promote learning.
