British literature is literature from the United Kingdom of Great Britain and Northern Ireland, Isle of Man, and Channel Islands. This article covers British literature in the English language. Anglo-Saxon (Old English) literature is included, and there is some discussion of Latin and Anglo-Norman literature, where literature in these languages relate to the early development of the English ...

Proletarian literature refers here to the literature created by working-class writers mainly for the class-conscious proletariat. Though the Encyclopædia Britannica states that because it "is essentially an intended device of revolution", it is therefore often published by the Communist Party or left wing sympathizers, the proletarian novel has also been categorized without any emphasis on ...

I have finished this book here on my very last day in Auckland and am going to have to leave it

behind because of the weight of my suitcase, and unfortunately, I don't have the time to write the thoughtful review that it deserves.

Chef's salad Food historians can't quite agree on the history and composition of chef's salad much less who assembled the first one. Some trace this salad's roots to Salmagundi, a popular meat and salad dish originating in 17th century England and popular in colonial America. Others contend chef's salad is a product of early twentieth century, originating in either New York or California.

Wallace Stevens is one of America's most respected poets. He was a master stylist, employing an extraordinary vocabulary and a rigorous precision in crafting his poems. But he was also a philosopher of aesthetics, vigorously exploring the notion of poetry as the supreme fusion of the creative imagination and objective reality. Because of the extreme technical and thematic complexity of his ...
