The 10 Priorities provide the concrete actions that are needed to achieve the objectives of the WHO Global strategy and action plan on ageing and health. Each priority is crucial to enable the world to take on a decade of concerted action on Healthy Ageing (2020-2030). Many are inextricably linked and all will require collaboration with many key partners.

Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.
