Scrum is an agile framework for managing knowledge work, with an emphasis on software development, although it has wide application in other fields and is slowly starting to be explored by traditional project teams more generally. It is designed for teams of three to nine members, who break their work into actions that can be completed within timeboxed iterations, called sprints, no longer ...

Scrum (software development) - Wikipedia

A Certified Scrum Master has a very critical role to play in Agile teams. Scrum is most used Agile methodology; 85% of worlds' Complex IT projects are done using Scrum.

Social justice is a concept of fair and just relations between the individual and society. This is measured by the explicit and tacit terms for the distribution of wealth, opportunities for personal activity, and social privileges. In Western as well as in older Asian cultures, the concept of social justice has often referred to the process of ensuring that individuals fulfill their societal ...

US education badly needs effective innovations of scale that can help produce the needed high-quality learning outcomes across the system. The primary focus of educational innovations should be on teaching and learning theory and practice, as well as on the learner, parents, community, society, and its culture.

Innovation in education: what works, what doesn't, and ...

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory system-wide fees, are subject ...
